

works of prefinal and final year classes, and the papers of the Bachelor of Engineering/Pharmacy/Technology, Architecture Part-I and Final Examinations, taken together.

(i) in all the papers of the Bachelor of Engineering/Pharmacy/Technology/Architecture Part-I Examinations in one chance and

(ii) in all the papers of the Bachelor of Engineering/Pharmacy/Technology/Architecture Final Examinations in one chance.

(iii) in the regular (annual/final) examinations and

(iv) as regular students

(b) Candidates who have passed the Bachelor of Engineering / Architecture / Technology / Pharmacy Examinations (Part-I and Final in all subjects) will be placed in the First Class provided they have obtained at least 65% of the aggregate marks of the class work and examination papers of the prefinal and final year classes. Those who have obtained 50% or more but less than 65% will be placed in the Second Class.

(c) (i) In the merit list candidates securing First Class with Honours shall be entitled to hold such positions in order of merit as the percentage of total aggregate marks secured by them may warrant.

(ii) Candidates who have qualified themselves for their respective degree by satisfying the conditions as enunciated in clause (a) above but have been placed in First/Second Class in terms of the provisions of Clause (b) above shall be placed in the appropriate Class and shall hold such position in their respective Class list in order of merit as the percentage of total marks secured by them may warrant.

(iii) Candidates who pass after taking more than one chance in any of the papers of Bachelor of Engineering / Pharmacy / Technology / Architecture / Part-I and Final Examinations to any of these above-mentioned examinations will be placed in the appropriate class but shall be placed below the list of candidates as determined according to the provision of sub-clause (ii) above irrespective of the fact they might have secured higher aggregate marks than the candi-

dates whose merit list has been determined according to the same provisions made in sub-clause (ii) above. In the respective Class list the appropriate positions of the candidates who fall under the category as stated in this sub-clause shall, however, be determined by the percentage of total marks secured by them.

**Explanation.** "Regular students" as referred to in Regulation 62(a) shall mean students, who after being promoted to the pre-final year classes have completed their respective degree courses in the next two consecutive academic sessions without appearing at any supplementary/Repeat Examinations of B.E. / B.Pharm. / B.Tech. / B.Arch. Part-I and Final Examinations.
