

Achievement of Department of Chemistry in the
International Year of Chemistry

The **Department of Chemistry** of Jadavpur University has been earmarked as one of the “**Top Chemistry Departments**” in India in the **International Year of Chemistry** by the expert committee Chaired by Professor C.N.R. Rao, constituted by the Department of Science & Technology, Government of India.

The Committee has given special emphasis on the research activities of the Faculty members of the Department and critically evaluated the performances in terms of number of publications, citation index and h-index. Based on the recommendation of the expert committee, DST has sanctioned a **Special** one time grant to the tune of **Rs. 2.5 crore** for further advancement of research in the newer vistas of modern Chemistry.

This is a rare honor and achievement for the Department of Chemistry as only Jadavpur University, a State-aided University, has been selected.

The Department expresses its thanks and gratitude to DST, Govt. of India for the present recognition and also for supporting the Department of Chemistry through the ongoing DST FIST Programme.

Prof. Somnath Ghosh
Head, Dept. of Chemistry
Jadavpur University
