Subj: Special Summer School 2012  (UGC & Academic Staff College, JU)

The UGC, in association with the Academic Staff College, Jadavpur University is organizing a Special Summer School in July 2012 (in accordance with the recent Directive No. F.27-1/2012 (ASC) from UGC/MHRD). Participation in this Summer School would be considered as equivalent to 1 Orientation Programme/Refresher Course for Career Advancement (CAS) purposes.

The thematic Title of the School will be: “Principles and Applications of the Basic Sciences”, and will incorporate Lectures on some fundamental & emerging topics in Physics, Chemistry and Mathematics, along with talks (and some Laboratory sessions) on the Application aspects of these basic sciences. The Duration of this summer school will be: 21 days, from 9th—28th July, 2012. There is no registration fee and the participants would be paid TA/DA as per ASC guidelines. Further information on the programme should be available soon on the website.

It is expected that Teachers from the various Colleges and the Universities would attend and participate in this School. The total number of participants would be limited to 50. Those who are interested in attending this Summer School, are therefore requested to contact the Coordinator of the School, at their earliest.
