NATIONAL SEMINAR - 2018

We are happy to announce that Department of Pharmaceutical Technology, Jadavpur University is organizing a one day national seminar on “**Pharmacy & Healthcare: Traditional Knowledge To Modern Techniques**” on 14th of September, 2018 at Dr. Triguna Sen Auditorium, Jadavpur University, Kolkata 700032. Jadavpur University, a top ranking university in India has already known for imparting quality education and high level of potential research, and the Department of Pharmaceutical Technology has been continuously assisting the university through its teaching and research for its journey towards excellence. In this direction, Advanced Pharmacognosy Research Laboratory is noteworthy to mention. Other than its usual activities, the laboratory is now going to organize a national seminar on Pharmacy & Healthcare: Traditional Knowledge To Modern Techniques. The national seminar brings together researchers from different universities, institutes and industries and gives them a platform to share their research work. The aim of the seminar is to provide a fortune to showcase the cutting edge research in the field of pharmacy and healthcare. We invite research/review work for paper/poster from faculties, research scholars and industry participants.
