OFFICE OF THE VICE-CHANCELLOR : AUROBINDO BHAVAN ANNEXE

Ref. No. : VC/46/SCHOOL/2019

Date : March 25, 2019

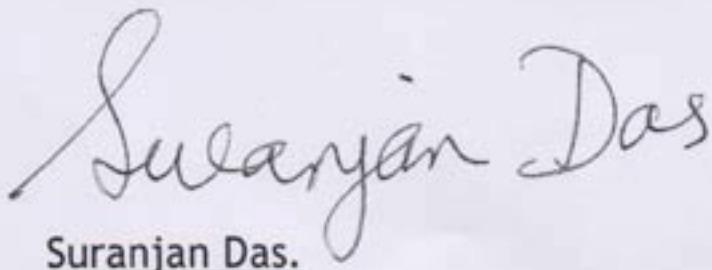

For the kind attention of all members of the Jadavpur University community:

I am writing this in connection with the appeal for financial help that has been received from Prof. Tushar Jash, School of Energy Studies of this University. He is now suffering from Leukemia (AML). As per medical advice, he has to undergo Stem Cell Transplantation (allogeneic) for which he needs to be admitted in hospital (Tata Medical Center, Kolkata). The transplantation cost will be about Rs.25 lakhs. Under such circumstances, I would request all members of the University (Teachers, Officers and Staffs) to provide financial help to Professor Jash to enable him to meet the exorbitant medical expenditure that has to be incurred for his medical treatment.

I am accordingly taking this opportunity of appealing to all members of the University community to donate one-day's salary or some suitable amount to enable Professor Jash to continue his medical treatment. If any member of the University community agrees to donate, he/she may request the Finance Officer to deduct the same from his/her salary and the amount will be paid to him. Any colleague interested to donate directly to Professor Jash may also use the following bank details:

Name of Bank : State Bank of India  
Name of Branch : Jadavpur University  
Account Holder : Tushar Jash  
Account No. : 11079815309

I do hope that the members of the University community will favourably respond to this appeal to help Prof. Tushar Jash, School of Energy Studies of the University.

  
Suranjan Das.
