## TO WHOM IT MAY CONCERN

This is to inform that some students of 2019 pass-out batch of Under Graduate and Post Graduate studies in different courses may not have received the final hard copy Grade Card from Jadavpur University, due to some internal problems.

Because of unprecedented Nationwide Lock Down across the country, and suspension of all activities at different academic institutions, presently we are not in a position to issue the hard copy Grade Card at this condition. Under this circumstance, JUMS (Jadavpur University Management System) generated soft-copy Grade Card, whose validity is only 3-months from the date of issuance, **may be treated as valid till the final issuance of the hard copy of Grade Card.**

This may be treated as official statement from Jadavpur University under the condition of outbreak of COVID-19 related to the issue mentioned.
