No.....

Dated:28th July 2021

The Students are hereby informed that University Scholarship Section does not incorporate any additional information from their own in any Scholarship Portal of any Funding Agency against the document/information submitted by the students at the portal. Verification of data is made by the University Scholarship Section on the basis of the document provided by the students.

Hence, students are requested to upload proper information and document to the Scholarship Portal to avoid further complication in getting the scholarship.

In case of any information gap, the students are requested it take up the issue with funding agencies separately where the Scholarship Section may facilitate the students for the same.
